**Remarks**

To 14: Please have preliminary check made and advise DCI re how you intend to handle Todd's call (this so DCI can advise Podheretz if there are other avenues also since FOIA can be less rewarding for Todd).

MEMORANDUM FOR: Director of Public Affairs  
FROM: Director of Central Intelligence  
SUBJECT: Oliver Todd

1. Norman Podheretz of COMMENTARY called me to say that a man named Oliver Todd is writing a book on the fall of Saigon. He is is Frenchman and will be coming to the US soon. I'd like to see if there is any information which might be made available to him about the fall of Saigon.

2. I told Podheretz that if we have any information at all, it would probably only be available through the Freedom of Information Act. In any event, you are likely to get a call from Todd on the ground rules when he arrives in the next few weeks.
